LED illumination	Self closing, lockable doors	Frost free system with auto defrost	Insulated & heated double glazed glass doors with stainless steel frame
IPX4 Rating			

BENEFITS

Available in 2 different configurations
The Beefeater outdoor display beverage cooler is available in single or double door variants.

Designed for outdoor use
The Beefeater cabinet has been tested to 43C in the shade and has a 304 grade stainless steel finish, making it ideal for usage in an outdoor environment.

Insulated & heated double glazed glass doors with stainless steel frame
Perfect for entertaining, the glass display allows you to see all of your drinks at a glance while the heated doors prevents condensation for even better visibility.

Cantilevered, adjustable wire shelving
The adjustable wire shelves are easy to clean.

Electronic touch controls
The external electronic controls allow you to set the temperature for your cabinet at the touch of a button, with a temperature range of -2C to 8C.

LED illumination
Bright LED lighting illuminates all of your refrigerated products for easy visibility.

Self closing, lockable doors

Frost free system with auto defrost
