Product Details

FEATURES

FlexFresh™ Fully Convertible Entertainer's Drawer	SmartSplit Door Design	Connectivity	Mark resistant real stainless steel
Filtered ice and water	Slide-back and Flip-up shelving	SnackZone	UltraChill
Drinks Storage	Snacks Storage	FlexStor	FreshPlus Cooling Keep your food at its best with our innovative FreshPlus technology. Whenever the fridge door is open, it immediately begins recooling to replace the lost cold air.
Quick freeze function great for when a large quantity of food is added to the freezer	Boost mode After a large grocery shop, use the Boost function when adding food to your fridge, so that the temperature decreases for 90 minutes before returning to the pre-set mode.	TwinTech Cooling System	Electronic controls with LED display and acoustic signal Electronic controls with LED display and acoustic signal
Holiday mode Going away? Set the fridge to Holiday Mode to help minimise defrosting and save energy.	R600a refrigerant better for the environment	LED lighting	Frost free Save your precious time with a freezer that doesn't ice up and need manual defrosting.
