Westinghouse WRI500SB

Product Details

FEATURES

340m3/hr extraction rate	LED lighting	Dishwasher safe mesh filters	2 speed fan
Stainless Steel finish	Slide switch controls	Ducted or recirculating options	Optional carbon filters Optional carbon filters sold separately through spare parts. This model requires 2 carbon filters. Part number 4055540761 (2-pack).

BENEFITS

Clear the air quickly
Our rangehoods offer powerful extraction rates ensuring your kitchen is clear of cooking odours, vapours and excess heat in no time at all.

Low energy, long lasting LED
With low energy use and a high illumination performance, long-lasting LED lights make it easy to keep an eye on your delicious cooking.

Easy-clean filters
For ease and convenience, our easily removed aluminium micro-mesh filters can simply be washed safely in your dishwasher or hand washed. Keep your rangehood looking great and performing well with next to no effort.

Quiet please, the cook's at work
We believe you should be able to cook and hear yourself think, or even have a conversation. That's why we developed a quieter motor that gives you high-speed extraction without the high levels of noise.
