BENEFITS

AirFry for that perfect crunch
When a food craving hits, make healthier and delicious food right in your oven with minimal oil. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family right in your oven.

More versatility with variable zones
With Dual Zone functionality you are able to adjust your cooking surface to suit your pot or pan size with ease.

Clean your shelf supports with ease
When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.

Set for 2 hours and it will ring
The mechanical timer keeps track of your cooking time for 2 hours with a ringer to let you know you are ready to restart the timer or finish your dish.

Know when it is hot
The hot surface indicator allows you to clearly see when your cooking zones are on or still retaining residual heat, allowing you to keep your family safe

Sleek and Stylish
With a fingerprint resistant finish dark stainless steel brings a modern feel to any kitchen. With a practical and premium finish you can take your kitchen in a fresh new direction by incorporating dark stainless steel appliances into your plans.
