BENEFITS

DURABLE, FLEXIBLE AND EFFICIENT
With cast stainless burners and stainless-steel vaporisers, you have one of the most durable, flexible and efficient cooking systems available. Cast stainless heats quickly, maintains consistency and lasts a very long time. With 17MJ of power in each burner, sear steaks at high heat, or turn the power down, giving you the choice in what you cook and how you cook it. And the dual stainless-steel vaporisers efficiently disperse the flames across the grill and plate surfaces whilst reducing those flare ups.

EXPAND THE EXPERIENCE
Expand your BBQ experience and craft mouth-watering roasts and slow-cooked meals with the inclusion of a 11MJ rear ceramic burner. Combine the rear burner with the elevated cooking rack to keep your food warm without over cooking.
