Product Details

FEATURES

Slimline modular design tailored for your outdoor space

Premium 304 Grade Brushed stainless steel

Soft-close door features for your built-in outdoor kitchen

Easy-open push to open and close doors on your built-in outdoor kitchen

Wide opening 95 degree doors for your built-in outdoor kitchen

Discreet hinges inside the door

BENEFITS

Modern design for easy storage and entertaining
Sleek and stylish, our drawers and inserts offer the ultimate accompaniment to your built-inoutdoor kitchen. Constructed using strong & durable brushed stainless steel for a modern and neat finish withconsidered design to last.

Seamless soft-close doors
Smooth soft close doors for a premium and slam-free experience.

Doors with full visibility
Convenient outdoor kitchen storage with ourwide-open doors no more propping open for easy access, with our new 95 degree doors allowing full visibility and reach to what's inside.

Securely stow, yet easily access, your BBQ utensils
Stash your BBQ tools and cleaning equipment awayby gently pushing to open or close our robust doors. The doors are securely held in place with magnetic latches that firmly shut and hold.

Discreet internal hinges
Discreet internal hinges are hidden inside the door for a sleek and clean exterior aesthetic.
