BENEFITS

3 YEAR WARRANTY
Because peace of mind should last as long as great design, this product has three years of trusted Electrolux support. *Available for purchases after 1 March 2026.

COOKING GUIDANCE AT A TOUCH
The CookSmart Touch display effortlessly guides you to perfect cooking results. Cook more efficiently, save your favourite recipes in the app, and send them straight to the oven for simple, smart cooking.

SMART COOKING, AI ASSISTED
Unlock your oven's full potential, and your own, with AI TasteAssist. Just send a recipe from the internet to your oven via the app and let AI allow the oven to optimise the time, temperature, and functions to bring out the best in every dish.

AN OVEN THAT CLEANS ITSELF
Pyrolytic cleaning heats the oven to a high temperature, turning grease and grime to ash. Just wipe clean afterwards no water or chemicals needed. The multi-layer glass door stays cooler to touch.

PRECISE COOKING, GREAT RESULTS
The smart food probe monitors the core temperature of your food, while precise sensors alert you when the dish is ready, and stop the oven automatically so the roast stays juicy, just the way you like it.

CRISPY GOLDEN RESULTS WITH LESS OIL
Love crunchy fries and golden chicken wings? AirFry gives you that irresistible crunch using powerful heat, right in your oven. No extra appliance, no extra oil. Just healthier, tasty meals made simple.
