Product Details

FEATURES

Extra AntiCrease
Extra AntiCrease option keeps your dried clothes in motion to prevent further wrinkling.

Connectivity
Get Connected via the Electrolux app for better, more convenient clothes care.

SensiCare
SensiCare dynamically measures and adjusts the drying time to protect garments from over drying.

Woolmark Blue
The Woolmark-certified cycle is gentle for your hand and machine washable wool garments.**The wool cycle is certified The Woolmark Company. Follow the garment care label for drying and other laundry instructions.

Hygiene
The Hygiene cycle dries while removing up to 99.9% of common bacteria and viruses.** Tested for Candida albicans, MS2 Bacteriophage and Escherichia coli in external test performed by Swissatest Testmaterialien AG in 2021 (Test Report No. 20212038).

Heat Pump Technology
Heat Pump technology protects fabrics by drying effectively at lower temperatures using less energy.

DelicateCare
DelicateCare perfectly cares for even your most delicate garments.

3DSense
3DSense Technology dries and protects down jackets* and leaves no damp spots even on duvets**."*External test to ISO 11092.**Internal test on duvets up to 2.5kg, with synthetic and natural feather filling. "

BENEFITS

PRECISION DRYING, NO DAMP SPOTS
3DSense, our most advanced drying technology and market-leading innovation, scans the moisture level in garments for precise, complete drying. Down jackets are kept like new, warmth and fluffiness 100% restored*. *Regardless of thickness, tests on duvets show perfect drying with no damp spots.**"*External test to ISO 11092.**Internal test on duvets up to 2.5kg, with synthetic and natural feather filling.

PREVENT WRINKLING AND CREASES
The Extra AntiCrease option can provide up to 120 minutes of extra intermittent tumbling on the completion of the drying cycle, keeping your dried clothes in motion to prevent further wrinkling and creasing.
