Product Details

FEATURES

Fan forced and grilling with microwave function	Quick start reheat	10 auto cook programs	Touch to open door
5 power levels	Childproof lock		

BENEFITS

BAKE. ROAST. RE-HEAT.
This appliance puts the 'oven' in 'microwave oven' by taking your microwaving ability to the next level. By using the convection heating function, you can now roast a whole chicken with perfectly crispy skin or bake muffins, bread, and cakes in your microwave.

SEAR. CHARGRILL. MELT.
The grill function will elevate your cooking experience far beyond warming and heating. Now you can brown and sear meat, chargrill vegetables, and melt cheese in one compact appliance.

HEAT FOOD FASTER
With 900W of power, your food is heated evenly and efficiently. Whether reheating leftovers or warming a late meal, enjoy quick, thorough results every time.

ACCOMMODATE LARGER DISHES
The wide glass turntable gives you the option of cooking larger dishes when you need to perfect for entertaining friends and family.

SPACIOUS INSIDE, SLIM OUTSIDE
This appliance has a slimline exterior to take up less space, but with a large internal capacity you still have plenty of room for cooking all of your favourite crowd-pleasing dishes.
