Fully built in design	Convection and grill cooking	Combination modes	Dark Stainless Steel Finish
Full touch electronic control panel	Auto Cook Options	Auto Defrost	Grill Rack
900W microwave			

BENEFITS

Seamless design integration
The design perfectly integrates with the entire Westinghouse kitchen collection, allowing you to perfectly co-ordinate your kitchen design

Roast, grill and bake with versatile Combi Cooking
Choose from predefined options and youll be amazed at the excellent browned, crisped and flavour packed results in less time than a conventional oven.

Auto Cook takes the guesswork out of meal time
With Auto Cook options, it's almost like having a personal chef in your kitchen. Choose one of 13 Auto Cook options, enter the weight of your food and the automatic program will calculate the optimum time, temperature and settings to cook your meal to tasty perfection.

Family-safe touch controls
Easy to use and easy to clean, our touch control also includes a child safety lock to keep curious hands and fingers from accidentally operating the oven. With just a touch or two, you've got total control over cooking temperatures, times and function settings.

Take the guess work out of cooking
Use a range of settings for perfect results every time. You can enter the weight of the food you're cooking or simply choose the power setting you prefer to power through your cooking. Tasty couldn't be easier.
