BENEFITS

Dry dishes every time
Say goodbye to wet dishes and hello to dry, sparkling results with AutoDoor. At the end of the wash cycle, the door, automatically opens to allow air to circulate throughout the interior. This accelerates the drying process, effectively eliminating moisture. No more towel-drying or waiting for dishes to air dry on the rack, with AutoDoor, your dishes are ready to be put away AutoDoor not available for Fast 30 or Self Clean programs.

Adjustable convenience
Say goodbye to awkward stacking and hello to effortless organisation with our innovative Comfort Tray. With a simple slide, you can adjust the top cutlery tray, allowing you to effortlessly stack tall glasses and bulky items, ensuring every item gets the perfect clean.

Smarter washing
Flexible wash options tailored to your needs. Choose from three half-load settings for the best performance:Upper: Ideal for glasses and mugs in the top basket.Lower: Perfect for plates and bowls in the bottom basket.Upper and Lower: A smart half-load option where spray arms alternate for an efficient, thorough clean.

Adjusting the right cycle for you
Sensing the level of grime on your dishes, our smart sensor adjusts the temperature and wash cycle to ensure the best results possible.
