Operates on a standard 10A power supply	Cooler to Touch Doors	80L gross capacity oven	Fingerprint resistant stainless steel

BENEFITS

Australian Made Ovens
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.

Set your timer, we'll do the work
Designed to be simple to operate our 2 hour auto-off timer allows you to set your oven for up to 2 hours of cooking time with the ability to alert you and switch itself off.

Place your shelves in with ease
Our easy guide side racks allow you to place your oven shelves in with ease.

Family meals made easy
With room for the family roast or a delicious dessert, our 80L capacity in our 60cm oven range allows you to make every mealtime easy and full of flavour.

Cooler to touch oven doors
Beautifully designed with Australian families in mind, the multi-layer glazing of our oven doors are cooler to the touch when the oven is hot.

Fingerprint resistant stainless steel
Fingerprints have met their match. Enjoy a family-friendly oven with stainless steel that really is stainless. It's effortless to keep your oven looking like new with our easy-to-clean, smudge-free stainless steel.

Pages from Westinghouse's own specification. Ask us about this product, we're happy to help.
