Westinghouse WRR614SB

Product Details

FEATURES

340m3/hr extraction rate	Front recirculation	Charcoal filter included	LED lighting
3 speed fan	Dishwasher safe mesh filters	Auto activated push-pull controls	Removable front fascia Front fascia panel of rangehood can be removed and exchanged with a trim to integrate into the kitchen colour scheme

BENEFITS

Clear the air quickly
Our rangehoods offer powerful extraction rates ensuring your kitchen is clear of cooking odours, vapours and excess heat in no time at all.

Low energy, long lasting LED
With low energy use and a high illumination performance, long-lasting LED lights make it easy to keep an eye on your delicious cooking.

Easy-clean filters
For ease and convenience, our easily removed aluminium micro-mesh filters can simply be washed safely in your dishwasher or hand washed. Keep your rangehood looking great and performing well with next to no effort.

Blend into the kitchen
Slide out rangehoods are designed to blend into your kitchen cabinetry for a seamless look.

Recirculation
The rangehood can recirculate into the kitchen if it is not possible to duct to the exterior. Carbon filters are recommended for recirculation.
