Product Details

FEATURES

Push button controls	Power Twin Blade centrifugal motor	Dishwasher Safe Aluminium micro-mesh filters	Low Energy/Long Life LED Globes
Stainless Steel finish			

BENEFITS

Powerful Twin Blade centrifugal motor
The Cube houses a powerful twin blade motor to ensure maximum extraction of unwanted steam and vapours from cooking.

Conversation friendly noise levels
Enjoy cooking and conversation with a quieter motor delivering extraction without high noise levels.

Dishwasher Safe Aluminium micro-mesh filters
Simply remove the filter panels and wash in your dishwasher to maintain performance and appearance.

Low Energy with high levels of illumination
Delivering excellent illumination with cost conscious low energy use, as well as reducing the heat generated by the downlights.

Designed to have minimal seams and joins
By reducing the seams and joins in the stainless steel canopy, it is even easier to clean and keep looking great.
