CAROMA

Riviere
Inset Vanity Basin

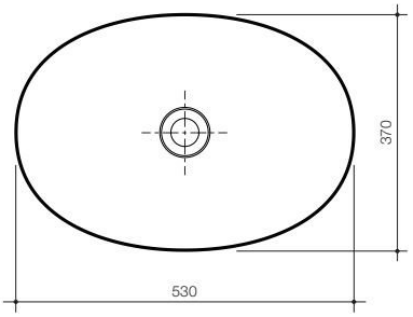

The Caroma Riviere Collection features an elegant design that brings together heritage and modern style. Designed to complement a range of interior styles, including coastal, traditional, farmhouse and Hamptons, the collection enhances every space with graceful contours and refined craftsmanship.

The collection includes sanitaryware, tapware, showers, baths and accessories for the bathroom, kitchen and laundry, making it easy to create a cohesive look throughout your home. Each piece is crafted from high-quality materials and offered in a range of durable finishes.

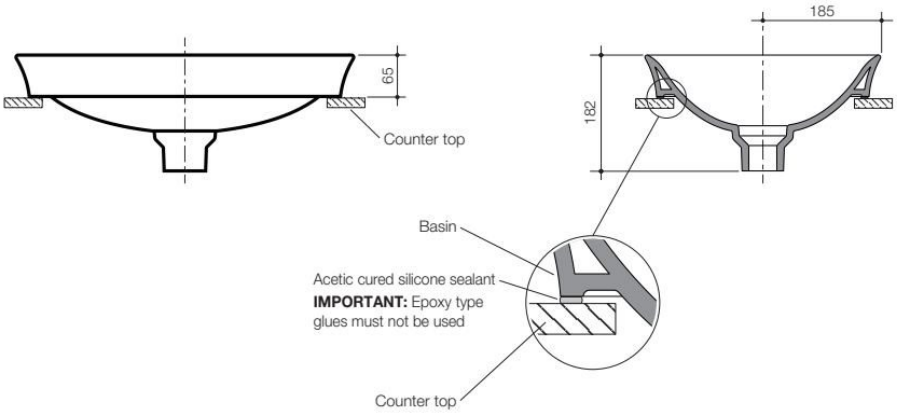

For just a touch of traditional style, you can also mix and match pieces with other Caroma collections. Coordinated colours, styles and proportions allow you to customise your home with confidence.

The basin is suitable for general purpose, domestic and commercial applications.

Tap Holes:	Basin available in: No tapholes Code No.4700100.
Material:	Ceramic.
Waste Outlet:	The basin has been design and supplied with an integrated waste with a ceramic pop up waste cap matched to the basin colour. To colour match to tapware and bottle trap, optional wastes are available with brass waste caps in 6 finishes, Black (B), Brushed Brass (BB), Brushed Bronze (BBZ), Brushed Nickel (BN), Chrome (C) and Gunmetal Grey (GM). Code No.687330.
Bowl Capacity:	8.6 litres.
Overflow:	Overflow not available.
Fixing:	The underside of the basin rim must be sealed to the counter top with an acetic cured silicone sealant. Epoxy type glues must not be used. The basin is supplied with a template which must be used for the counter top cut-out.
Colours:	White (W) and Matte White (MW).
